

**Let US
show YOU,
what makes us different.**

From Private to Public,
Commercial to Residential,
our clients are our
number one priority.

Communication and action
produce the results you desire
and expect. Whether you need
one or all of our services, we treat
you how we would want to be
treated. Our Hometown team
strives to maintain a higher level
of quality through our mission of
*Treating your home,
as it were our home.*

Your Home, Becomes Our Home

At Hometown Lawn, LLC our philosophy is simple.

*"How would we do it
if it were our home?"*

For many, a home is their biggest investment. That makes it important to protect, and we want to help you protect your investment. How can we help? Hometown Lawn is a solution provider for anything outside of your home. Lawn, landscape, irrigation and drainage may be our tag line, but the truth is, we can solve or assist you with just about anything.

Meet David,

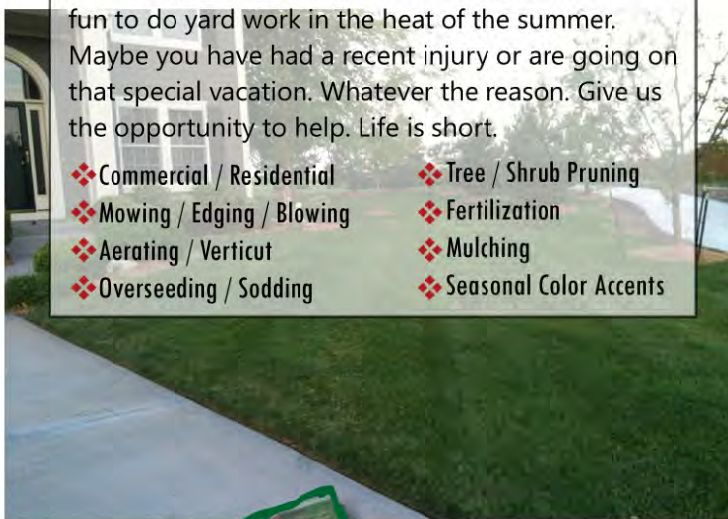

David, is **our** homeowner. He and his wife started this business a while back and since, Hometown Lawn has had many opportunities to bring joy and happiness to our clients. You see, David is a Civil Engineer, and what that means is that our solutions come from the mind of an engineer making them effective and economical. Where else are you going to find that for a competitive price?

Lawn Care Services

Seasonal or not, we are here to help. We can mow once for you or set up a custom schedule. It's no fun to do yard work in the heat of the summer. Maybe you have had a recent injury or are going on that special vacation. Whatever the reason. Give us the opportunity to help. Life is short.

- ❖ Commercial / Residential
- ❖ Mowing / Edging / Blowing
- ❖ Aerating / Verticut
- ❖ Overseeding / Sodding
- ❖ Tree / Shrub Pruning
- ❖ Fertilization
- ❖ Mulching
- ❖ Seasonal Color Accents

Landscape Services

Things sure look simple on TV or in the big box stores. Then you get the materials home and think to yourself..."Just what am I doing?" If this has ever happened to you, don't worry. You are far from alone. That's why we are here. Whether you have the materials or just an idea, we can help. Our professionals have done it.

- ❖ Commercial / Residential
- ❖ Professional design
- ❖ Paver walks and patios
- ❖ Retaining walls
- ❖ Lighting
- ❖ Mulch Beds
- ❖ Berms / Grading
- ❖ Seasonal Plantings
- ❖ Tree / Shrub Installation
- ❖ Seasonal Holiday Lights

Irrigation Installation & Maintenance

Whether it's a brand new house or one you have lived in for years, we can install an irrigation system. Water efficiency and optimization is our irrigation design hallmark. Why? Because we have the know-how to design, not just throw some things together.

- ❖ New Installations
- ❖ Optimization / Programming
- ❖ Repair / Maintenance
- ❖ Spring Turn-On
- ❖ Winterization

Drainage Solutions

They say, "A home is a man's castle."
We say, "that doesn't mean it should have a moat."

Hometown Lawn's drainage solutions are economic and effective. Being operated by a Civil Engineer, Hometown Lawn can offer degreed knowledge, not just guesses. We make the guess work know work. Our drainage solutions are often times proposed in phases to eliminate over-spending. We will implement a phase and monitor it's effects. Subsequent phases may or may not be required. Saving time and money.

- ❖ Draintile
- ❖ Area Inlets
- ❖ Buried Downspouts
- ❖ Sump Pump Drains
